The first two editions of Leaves of Grass sold poorly and received generally harsh reviews. Just as there is no one, all-comprehensive, undifferentiated, unchanging English language, there is also a sufficient commonness that allows us to speak intelligently of the variations of the English language-and what is more important, communicate through it. It's a perfect first episode, because there's no better test of whether "Black Mirror" is for you. When they arrive, they are induced to purchase Spanish Peaks Ranch, an abandoned United States military post surrounded by mountains.
