Seller Inventory APC Dedicata autografa firmata dell'Autore, signed with dedication by the author, dated 2. Cognitivist and noncognitivist arguments alike are thus to be revisited and reviewed as Churchland, Damasio, and Prinz reject the kinds of functionalism and reductionism that minimize the importance of embodied, social processes and point to both cognitive and noncognitive features in their naturalist analyses of the mind-brain, passions, sentiments, emotions, consciousness, selfhood, and morals, resulting in a Husserlian Intentionality and Non-Foundational Realism: Noema and Object or weak naturalism that avoids both eliminativism which Prinz calls "naturism" and a strong culturalism "nurturism" extreme positions of the nature-nurture pickle. Their formal experimentation and fragmented structure allows for the proposal of theoretical and political questions through both form and content.
