This may be because we have learnt most of our body language implicitly, by absorbing it from our parents and culture. To abandon such heritages would allow the wild game to perish due to over breeding, over feeding, starvation and residential expansion. If this pill works, we would have already got rid of the type of cancer that their pill promised to cure. They also may have trouble understanding Artaud's Theatre Of Cruelty language. Demands placed on many young Americans as a result of the Cold War give rise to an increasingly age-segregated society. Beyond reading these and other scriptural evidences of the existence of God, how well do we really know God, our Creator, and how well do we really understand his personality, characteristics, and attributes.
