The instrumentation is based on " head arrangements " where  
each section makes up their part based on what the other  
sections are playing. Saint-John Perse Arthur J. Switch  
reference, in which certain clauses contain a signal  
indicating whether that clause has the same or a different  
subject, is examined in Mbya Guarani. Common design practice  
is to try to find the sweet spot where there's just enough  
contrast that the text is crisp and readable but not enough  
contrast to become harsh for the eyes.
