The pasta on the left has parsley on top. Even the birds are leaving. DomJuantellshisfatherHeavenhaschanged. Look at Iran. Although the genre of encyclopaedia was defined and named only in modern times, texts that aspire to the encyclopaedic ideals of utility and comprehensiveness are found throughout recorded history. Here is the journey interrupted, the journey toward modernism usurped and in that usurpation eternally illuminative. FYI, I did reply to your comment to me in ep. Oh, did i see it.
